Jackie to Write Own JFK Book?

HOLLYWOOD (NANA) — Don't be too surprised if Mrs. Jacqueline Kennedy decides to write her own version of the tragic events leading to the death of President John F. Kennedy. I am told that she has considered this before and abandoned the idea, but now with all the controversy surrounding the Manchester account, I understand she would like to put the record straight—as she sees it—once and forever. It sounds like a good idea.
